WARRANT FOR TOWN OF JEFFERSON 1986 TOWN MEETING

THE POLLS WILL BE OPEN FROM 2:00 P.M. TO 8:00 P.M.

To the inhabitants of the Town of Jefferson in the County of Coos in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at the Town Hall in said Jefferson on Tuesday, the Eleventh day of March next, at 7:30 of the clock in the evening, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.
2. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations of the same.
3. To see if the Town will vote to raise and appropriate the sum of one thousand two hundred and three dollars (\$1,203) for a donation to the White Mountains Mental Health Center.
4. To see if the Town will vote to appropriate and authorize withdrawal from the Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972 for the use as setoffs against budgeted appropriations for the following specific purposes and in amounts indicated herewith or take any action hereon:

APPROPRIATIONS	AMOUNTS
Road Maintenance	\$6,000.00

5. To see if the Town will vote to raise and appropriate two thousand six hundred forty-six dollars (\$2,646) for the Public Health Nursing Services, Inc.
6. To see if the Town will vote to raise and appropriate the sum of five hundred dollars (\$500) for a contribution to the Whitefield Regional Airport Commission.
7. To see if the Town will vote to authorize the Board of Selectmen to apply for, accept and expend, without further action by the Town Meeting, money from the State, Federal or other governmental unit or a private source which becomes available during the fiscal year (RSA 31:95b).
8. To see if the Town will vote to authorize the Board of Selectmen

to administer and dispose of any real estate, acquired by the Tax Collector's Deed at public or private sale, as the Selectmen, in their sole discretion, deem equitable and just (RSA 80:42 I and III).

9. To see if the Town will vote to raise and appropriate the sum of three thousand dollars (\$3,000) to be placed in Capital Reserve Fund No. 1 for the purpose of Road Equipment.
10. To see if the Town will vote to raise and appropriate the sum of three hundred seventy-five dollars (\$375) for support of the Community Action Outreach Program. (By Petition.)
11. To see if the Town will vote to raise and appropriate the sum of three hundred dollars (\$300) to help pay the Insurance Premium on the Historical Building, such sum to be given to the Historical Society Treasurer by August 25, 1986. (By Petition.)
12. To see if the Town will vote to raise and appropriate the sum of six thousand six hundred dollars (\$6,600) to purchase a highway road sander, such sum to be paid by withdrawal from the Federal Revenue Sharing Fund.
13. To see if the Town will vote to raise and appropriate the sum of five thousand five hundred dollars (\$5,500) to reimburse the Jefferson Fireman's Association for the purchase of a 1977 truck, said sum to be paid by withdrawal from the Federal Revenue Sharing Fund.
14. To see if the Town will vote to oppose the burial, storage, transportation and production of high level radioactive waste in the Town of Jefferson and State of New Hampshire, and to call upon Congress to conduct an independent investigation with full public participation into the feasibility and prudence of the US Department of Energy's (DOE's) present plan to dispose of radioactive waste and into DOE's competence to carry out such a plan.
15. To see if the Town will vote to adopt written welfare guidelines as proposed by the Board of Selectmen. Chapter 380 of the Laws of 1985 requires the Town to adopt written welfare guidelines prior to April 1, 1986. (Copies of the full text of the proposed guidelines are on file with the Town Clerk.)
16. To see if the Town will vote to raise and appropriate the sum of one thousand six hundred sixty-nine dollars (\$1,669) for the purpose of paying the Town's share of the cost of the Engineering Study of the solid waste problem and site evaluation to be conducted in the Upper Grafton/Lancaster Area Solid Waste Districts.

17. To see if the Town will vote to adopt the exemption from payment of motor vehicle permit fee for prisoners of War pursuant to RSA 261:157-a.
18. To see if the Town will vote to adopt as amendments to the Town's subdivision regulations proposed provisions relating to Flood Hazard Areas so that the Town will comply with Federal Requirements for the regular program of the National Flood Insurance Program — the proposed amendments being on file in the Town Office and by reference are incorporated herein. Adoption of this Article will enable the Town to remain in compliance with Federal standards for participation in the National Flood Insurance Program.
19. To see if the Town will vote to authorize the Selectmen to borrow money in anticipation of taxes.
20. To see if the Town will vote to allow the Tax Collector to accept prepayment of taxes.
21. To transact any other business that may come before this meeting.

Given under our hands and seal this 24th day of February, in the year of our Lord Nineteen Hundred and Eighty-Six.

AUDITOR'S REPORT

This is to certify that I have examined the 1985 bank books, statements, and all other financial records for the Town of Jefferson, and have found them to be correct to the best of my knowledge and ability.

Respectfully submitted,
DEBRA JANIS LARIVÉE
Auditor, Town of Jefferson

Feb. 20, 1986

FIRE CHIEF'S REPORT

The Jefferson Fire Department responded to 10 alarms in 1985. They are listed below:

Chimney fires	4
Car accidents	3
Log skidder fire	1
Grease fire	1
Gas grill fire	1

The Fire Department is now responding to all accidents where injury may be involved because we have the equipment and water that may be of benefit to the victim, Ambulance and Fast Squad personnel.

Clean chimneys and maintained smoke alarms are very high in fire prevention and saving property damage. Please check and maintain them for your safety. Chimney brushes and chains are maintained by the Jefferson Fire Department and may be used by Jefferson people by calling Ass't Chief Vyrone Lowe at 586-7722.

Two new Scott breathing apparatus were purchased this year to upgrade our fire fighting capabilities.

Training goes on as usual and those interested in fire fighting or joining our Department may feel free to join us on the first Tuesday of each month or call Chief Jim Kenison at 586-4340 for information.

Again, thank you to all Jefferson Fire Department members, Red Net operators, Fast Squad members, and the people of Jefferson for your continued support.

Respectfully submitted,
JAMES I. KENISON
Fire Chief

REPORT OF TOWN FOREST FIRE WARDEN AND STATE FOREST RANGER

Between July 1984 and June 1985, we experienced more forest fires throughout our state than in any year in the last 50. Two of the leading causes of the 1,605 fires were children and fires kindled without written permission of a Forest Fire Warden. Both causes are preventable, but only with your help.

Please help our town and state forest fire officials with forest fire prevention. Contact your Forest Fire Warden for more information.

Enforcement of a state timber harvest regulations is the responsibility of State Forestry officials. Our state has excellent timber harvest regulations; however, your assistance is needed.

If you know of a logging operation and suspect a state timber harvest law may be violated, call your Forest Fire Warden.

If you own forest land, you will become responsible for the timber tax payment starting April 1, 1986. This is a change in the Timber Tax Law that will impact all forest landowners. Contact your Board of Selectmen for timber tax forms.

PUBLIC HEALTH NURSING SERVICE, INC.

Public Health Nursing Service has served the Town of Jefferson since 1973. The visiting nurse is available Monday through Friday, 8:00 a.m. - 4:00 p.m. on a regularly scheduled basis and evenings, weekends and holidays when special arrangements are made. There is one full time registered nurse and several part time aides responsible for the Jefferson area.

Skilled nursing visits include such activities as dressing changes, injections, colostomy care, blood pressure checks and health teaching, under orders from a physician. Home Health Aides perform such duties as assist with bathing, shampoos or following a treatment plan established by a physical therapist, speech therapist or occupational therapist under the supervision of a registered nurse. The Homemaker/Nutrition aide, under the supervision of a registered nurse, assists with light housekeeping, laundry, shopping or meal preparation. Although services are available to all age groups, the majority of clients are the elderly, whose medical problems have created a need for the agency's services.

Children enrolled in the well child clinics receive physical examinations, developmental testing, hearing and vision screening, nutrition counseling, immunizations and dental care. Newborns receive a visit from the Maternal Child Health Nurse if the physician of parents request it.

Blood pressure clinics are held the second Thursday of each month. There is no charge and all residents of the Town are welcome to participate.

A total of 8,305 visits were made in the six town area the Agency serves. There were 195 visits to the residents of Jefferson. They were as follows:

Skilled nursing	57
Home Health Aide	9
Homemaker	122
Physical Therapy	2
Speech Therapy	5

Public Health Nursing provides physical therapy and speech therapy at Morrison Hospital and Country Village Health Care Center.

The continuing ability of Public Health Nursing to meet the health needs of our communities and to provide service is dependent on the contributions of time, effort and appropriations to the Agency from the communities served.

LIBRARY TRUSTEE REPORT

In the spring of 1985, the trustees worked on updating the library and personnel policies, which the state recommends doing every five years. The revised policies were sent to the state.

We greatly appreciate the volunteer efforts of Rupert and Mark Corrigan for finishing the last large unit of book shelves. Money allocated, but not spent on that project, was then used to purchase more books for the library. The amount was \$369.81.

We would like to thank the Friends of the Library for the fund raising projects they have held, which resulted in the purchase of two new gas heaters for the library. This will enhance the future plans to make use of the back room for a separate children's section.

The local Riverton 4-H Workers brightened up the front yard last summer with colorful flowers they planted.

We were pleased to hear that the school children have been making regular visits to the library. We encourage everyone to come and use our growing library.

Respectfully,
SHIRLEY CALL

LIBRARIAN'S REPORT

Thanks to Rupert and Mark Corrigan, the last of our adjustable shelves were completed and installed, which has made the books more accessible.

The Friends of the Library purchased two new gas heaters for the Library's main room and the proposed children's room.

Several story hours were held and enjoyed and more cooperation between the elementary school and the Library has brought older students to the Library on a weekly basis with volunteers Cindy Clukay and Regina Corrigan visiting school on a regular basis with books and cassettes for Kindergarten and First Grade.

The Riverton Workers 4-H club enhanced the grounds with flowers.

A Fourth of July Celebration with a retirement party for Bus Driver, Hattie Smith was organized by the Friends and their Christmas Bazaar was another successful fund raiser.

The Library is fortunate to have such an active Friends group devoted to its improvement. The Jefferson Friends are recognized down state as one of the most active groups in the state.

For the gifts of books and magazines given to the library through the year from patrons, a big Thank You.

Respectfully submitted,
BRENDA GROSS

1985 NEVERS-TOWN OF JEFFERSON SCHOLARSHIP FUND

This is the fifth year of existence for the Scholarship. The committee is pleased to say that the principal is now large enough to earn the interest needed to give a total of five hundred dollars in scholarships per year.

The Nevers family has given very generous donations again, of which we wish to say "Thank you very much", for their continued generosity. Also "Many Thanks" to all other donors who have so voluntarily given to the scholarship.

There was extra money to use towards scholarships this year, partially due to the fact that a couple of past-recipients did not use their scholarships.

Twelve applications were received, making the choice of winners more difficult. Even so, five recipients were chosen - Toni Benedict, Sandra Paschal, Debra Marie Ayer, Jintana T. Pond and Sunthorn Pond Tor. We wish all five much success in furthering their education.

Contributions of any degree are very welcome and are tax deductible.

ENMAN SCHOLARSHIP FUND

1985 was the second year for the scholarship honoring the late Charles Enman who for many years was very active and highly regarded in the Jefferson Elementary School. The Fund was able to provide a scholarship for a qualified student.

Any senior who is a resident of Jefferson attending either high school or private school, regardless of location, and planning on furthering his/her education is eligible to apply for the scholarship.

We would like to thank all who have donated to the fund. It is each ones' help that makes the scholarship possible. Over \$1,200.00 was added to the principal this year.

Donations may be made by sending or taking a check to Rines Market or to Marietta Ingerson.

Checks should be made payable to Charles Enman Scholarship Fund.

WHITE MOUNTAIN MENTAL HEALTH AND DEVELOPMENTAL SERVICES 1985 Director's Report

The following services have been provided during the calendar year 1985. We are proud of the range of programs offered through our agency. Your town's contribution helps us to make these services available to those in need.

DEVELOPMENTAL SERVICES

Early Intervention. The screening, diagnosis and treatment of children ages 0-3 who have a "developmental delay". A "developmental delay" is defined as a physical or mental handicap which slows down the normal development of a child. This service is offered to the children and their families in their homes. Last year, we provided:

- * 1500 hours of service
- * 322 hours of speech therapy
- * service to over 40 families
- * 18,000 miles of travel to provide home service
- * physical therapy services.

Competitive Employment. This service includes vocational training and remunerative work. We serve an average of 20 people a day who have either emotional or developmental handicaps. This year, we have expanded to offer clients an opportunity to work in actual (real) work situations. We have positions available at Weeks Memorial Hospital, the White Mountain School, and the Littleton Courier. A sample of our service includes:

- * over 240 days
- * over \$18,000 paid to clients for their work
- * subcontract work for local industry
- * over 700 hours of vocational training.

Supported Employment. Supported Employment is directed at teaching essential life skills and supervised work experiences.

- * over 300 hours of community experiences
- * over 960 hours of instruction
- * remunerative work
- * speech therapy

Day Habilitation Services. Instruction and training for our most severely impaired population. We currently serve eight multiply

handicapped adults who were all former residents of Laconia State School. The services are a combination of educational and vocational training. This year, we have been able to start offering paid work experiences.

Residential Services. We do not ask for town support of our residential services because they are adequately funded through a combination of state support and third party payment.

MENTAL HEALTH SERVICES

We provide a comprehensive array of services to our 22 town catchment area. The fact that we operate four service sites (Lancaster, Lincoln, Littleton and Woodsville) helps us to extend mental health services to people throughout our service area. The types of service we provide include: emergency service, individual, family and group therapy, case management, alcohol counseling, and a psychiatric day program. The following information may help to describe the work we have been engaged in during this past year.

- *Partial Hospitalization 250 days of service
- *Emergency service 7 days a week, 24 hours a day coverage
- *Over 12,000 hours of therapy
- *VietNam Era Vets Rap Group
- *Weekly alcohol counseling group

I hope this brief outline will help to describe some of the work we have accomplished during 1985. We have had a busy year serving the citizens of Coos and Grafton Counties. We ask for your support to help us pay for services which exceed the funding we secure from the Division of Mental Health and Developmental Services (state) and the amount we can collect from fees for service. We value your contribution financially and, as importantly, for its statement of work we do in your community.

DENNIS C. MacKAY

NORTH COUNTRY COUNCIL ANNUAL REPORT

Calendar year 1985 was a busy and productive year for the North Country Council as it continued to provide a wide range of assistance to towns and cities in the North Country.

The Council is a regional non-profit, public agency chartered under NH RSA 36:45 and is responsible for providing its member communities assistance in local community planning, economic development, solid waste, transportation and various other community services. Besides the direct assistance the Council provides each member community, it is an advocate for all North Country towns in legislative and funding issues at the state and federal governments.

In Jefferson, we provided Planning Board information on subdivision review, planning board procedures and master planning. The Council also provided technical assistance to Town Officials on solid waste issues.

Economic development is an important part of the Council's overall agency mission. This year the Council produced a video promoting the North Country as "The Sensible Place to do Business." The video was developed to be a marketing tool to assist local development organizations publicize to southern New Hampshire businesses why the North Country is a logical choice of location. In October, the Council co-hosted with Governor John Sununu a development forum in Manchester to discuss with southern New Hampshire business executives the advantages of expanding to the North Country. Over 85 businesses participated in this affair and the response from the business community was very positive. The Council is now developing follow up contact with interested businesses through the State Office of Industrial Development.

The Council again provided information and guidance to several towns on federal and state grant and loan programs. This past year saw well over \$2.0 million in Community Development Block Grant funds come to the region for such activities as housing rehabilitation, downtown revitalization, business revolving loan funds, and housing rehabilitation feasibility studies.

Community planning assistance has emphasized master planning and improvement in local land use controls. New state mandates and commercial and residential growth in several towns have created busy work loads for planning boards. The Council's assistance takes many

forms: regional workshops, newsletters, regulation review and update, and assistance on a regular or one-time basis for subdivision and site plan applications.

The Council again co-sponsored the Municipal Law Lecture series with the NH Municipal Association. The Law Lecture this year covered such topics as local planning board procedures, administration and enforcement of ordinances and review of recent court cases and state law changes regarding local land use planning. The Council also sponsored a separate Coos County Land Use Control Workshop which provided additional assistance to those local officials in the county.

Overall, the Council's major objective is to work with North Country towns in solving local and regional problems. We rely on and appreciate the involvement of town officials and residents and look forward to assisting your town this coming year.

COMMUNITY ACTION PROGRAM

Town of Jefferson
Town Office
Jefferson, NH 03583

The Tri-County Community Action Program will be submitting a petition asking that the Town of Jefferson please approve our request for a Warrant Article in the amount of \$375.00 for funding support of our Outreach Programs.

Fuel Assistance funds in the amount of \$24,666.92 was expended to assist 53 households in Jefferson, and \$768.28 in Weatherization funds were given to help Jefferson residents. Jefferson families also benefited from \$75,666.00 in USDA products, FEMA monies, Green Thumb Garden Seeds and food pantry monies.

39 households involving 124 individuals were given direct assistance such as food and clothing during the past Outreach season. This saved Jefferson residents many dollars in town welfare monies.

We look forward to serving the residents of Jefferson during 1986 and thank you for your support.

Very truly yours,

MRS. HARRIET E. FORBUSH
Outreach Worker

REPORT OF JEFFERSON HISTORICAL SOCIETY 1985

The Jefferson Historical Society enjoyed a very interesting year 1985.

Among the special events was receipt of the Best Theme prize in the Fourth of July Parade.

Highlight of the year was celebration of the 100th anniversary of the Cherry Mountain Slide on July 10. The Meadows Post Office was headquarters for envelopes with design by Ron Costa and special cancellation designed by Mrs. Nancy Weiner. Requests for these envelopes came from all over the country and Postmaster Ardeane Saucier was most gratified, as was the society. The Society still has some of the envelopes with the July 10 cancellation to sell.

Early in the year application was made to the Historic Preservation Office of the Division of Resources and Economic Development at Concord for a Historic Marker to note the site of the Cherry Mountain Slide. We are indebted to Sen. Charles Bond for his assistance in pushing for this project. In December Jefferson received its second Historic Marker, this one placed at the picnic area at the so-called Slide Farm.

The Museum was open Sunday afternoons throughout the Summer and guests included a family from Australia and people from many states and Canada.

During the year two large and one small cabinets were acquired, giving more space for displays. A number of artifacts, including items from the Jefferson Post Office, courtesy of Mrs. Ida Samson, were received. On loan are a number of items from Jerry and Helen Martin.

The Museum provides an excellent repository for papers, documents and such things as large family portraits (often too large for display in the home). Our picture gallery allows plenty of space for these and we would welcome the opportunity to add these (either on loan or as gifts).

During the year a portrait of Col. Joseph Whipple, founder of Jefferson, was located in storage in Philadelphia and a fund drive is underway to bring the Colonel's picture "home" to Jefferson for display at the Museum.

The Society meets the second Monday of the month (except December, January) and would be pleased to have residents and guests visit the meetings. We especially urge teachers and parents of children to bring them to visit the Museum and learn how their ancestors lived and worked.

Respectfully submitted,
HELEN MERRILL, President
Jefferson Historical Society

PLANNING BOARD TOWN REPORT - 1985

The Jefferson Planning Board consists of the following members: Vernard Bronson, Chairman; Ormond Deignan, Vice Chairman; James Brady, Jr.; John Marshall; John Miller; Donald Saunders; Bruce Sanborn, Selectmen's representative; and Marjorie Doan, associate member. This is a vacancy for one associate member.

The Board has met on the fourth Tuesday of each month throughout the year in the Selectmen's Office. Three special meetings were held.

Eight preliminary hearings and eight abutters' hearings were held. Six subdivisions were approved. One boundary line adjustment was reviewed and placed on file.

Throughout the year the Board has kept up-to-date on developments and changes in the Flood Insurance Program.

Frames were made for the soils maps and mounted in the Selectmen's Office for more effective use.

Respectfully submitted,
MARY LOU GLIDDEN, Secretary
